Key Features

MR. VIJAY SHAH

Chairman and Managing Director

Mr. Vijay Shah established the company with a noble objective of providing employment to the people at the bottom of the social index, thus pushing them away from the anti-social activities and thereby gaining them fruitful employment together with a meaningful purpose.

With years of hard work and dedicated efforts, this moment has today resulted into an organization which has reached position of eminence and which ranks among the most preferred service providers in state in such a short period.

DR. PREET SHAH

Director

A doctor of philosophy (Ph.D) with specialisation in E-Human Resource Management, Dr. Preet Shah represents the new generation striving to add value and excellence in every sphere. He also holds two MBA degrees in Security and Intelligence management along with Human Resource & Marketing specialisation. His ability to grasp and understand the intricacies of the complex field of Security Management has resulted in strengthening of the organisation.

He aims to continually review and upgrade the business process ensuring consistent training of the employees, achieving added value and excellence in the field. His belief is “Let us not only be a Service Provider to a client, let us become the Service Partner and become a stakeholder in their growth.

Due to their long-term expertise in providing quality services in security industry. Our directors have expanded the organization with the benefit of their knowledge.

SALAMATI SECURITY FAMILY

“SERVICES”

At Salamati, we work with local law enforcement and facility managers to establish a Security Plan to meet all the various needs of the specific business buildings, hotels, hospitals or Industries. We are committed to the vigilant security of these facilities in all its areas.

Through combining advanced technologies with world-class experience to minimize risks, we optimize defense performance and reliability through our innovative approach to full security solutions for commercial buildings.

“SECURITY SOLUTIONS INCLUDE”

CCTV / Remote Monitoring

Specifically Optimized Programs for Day and Night Surveillance

Employee Identification (ID) Systems

Perimeter and Vertical Checks

Safety Seminars for their Employees

Fire Guards and Fire Safety Directors (FSD)

Access Control Systems with or without Biometrics

In factories and processing facilities, industrial workers may be uncovered, endangered and have other risks of safety. Continuous and comprehensive monitoring of the production facility and network are essential elements of plant safety. Industrial buildings and plants are usually large, busy, crowded environments. Security threats are not unusual in and around industrial and physical plants, whether factory, mill, refinery, packing house or manufacturing facility.

We have highly trained professionals and the best integrated security technology solutions for addressing your safety needs for loss prevention and control, which includes.

24/7 Emergency Response

CCTV with 24/7 or Motion Activated Feed, Local or Remote Monitoring

Daily Reports of Plant Safety Conditions

Surveillance of all Vehicles and People who have Access to the Property

Various Patterns of Patrol to Avoid Routines

Regular Staircase and Lift Monitoring

“ SPECIALIZED TRAINED ” SECURITY MANPOWER

To fulfill aforementioned services and facilities, we offer on-demand specially trained security manpower including:

Security Guards (Male & Female)

Small businesses have to deal with the reality that theft and other crimes can occur on business premises. Guards can be used to prevent crime, maintain security, and assist customers and employees. Security Guard is the first person, being the representative of your premises, who safeguards the premises, property and assets-of-person round the clock.

Security Supervisors

The Security Supervisor is the executive responsible for the organization's entire security posture. He plans and ensures the execution of security arrangements in the premises. Also, a Security Supervisor supervises and controls the work of security personnel. Also, he oversees the daily workflow, schedules, and assignments of security staff, prepares and conducts training for new hires and current staff including training on workplace searches and related safety and security topics.

Security Officers

A security officer secures premises and personnel by patrolling property, monitoring surveillance equipment, inspecting buildings, equipment, and access points, permitting entry. He prevents losses and damage by reporting irregularities; informing violators of policy and procedures; restraining trespassers. Moreover, he also assists in the design and implementation of security strategies and programme specific security procedures/standards.

Fire Protection Squad

Fire protection squad conducts a risk assessment which will be utilized to customize your fire watch needs. In case of fire alarm malfunction, you can hire a 24 hour fire watch services for your business premises, campus, hotel, construction site, etc.

Gunmen / Revolver Men / PSO

At such places where security is of paramount importance and the threat is very real, armed guarding is required. At such premises, gunman is the best option to keep the premises secured and protected. A gunman or a revolver man is generally ex-army personnel with years of experience.

Trained Dog Squads

We are specialized in supplying highly trained dog teams for any site or location. Our dog squad comprises of highly pedigreed and trained German Shepherds, Doberman, Pinschers and Labradors along with the skilled and experienced handlers, who are trained to find offenders, missing people, property and are also able to subdue offenders.

Bouncer & Bodyguards

We provide disciplined, well-trained bodyguards and bouncers who are expert in protecting VIPs and celebrities and keeping them out of the reach of crowd. These people are the professional personnel who keep themselves active and aware at every bit of moment to protect the assignment given to them. Moreover, this is a specialized field which requires expert communication, management and thorough planning.

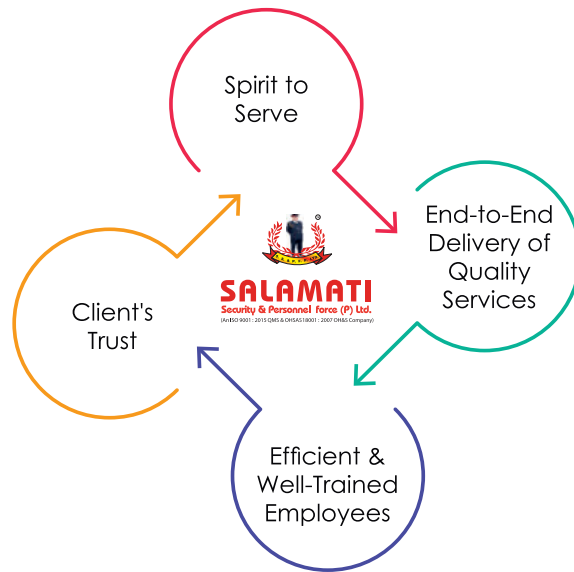

Back office

The back office is the portion of a company made up of administration and support personnel, who are not client-facing. We offer back office team for roles such as accountant, nurse, and other professionals HR staff and for functions including settlements, clearances, record maintenance, regulatory compliance, collection, etc.

“ FACILITY MANAGEMENT & VALET PARKING ”

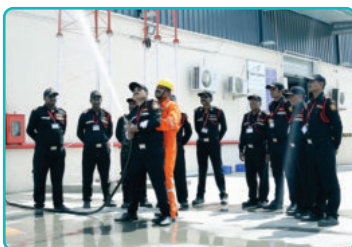

WHEN WE TALK ABOUT FACILITY MANAGEMENT, OUR USP INCLUDE

In regards to our **facility management services**, we have expertise in deep cleaning, deodorizing, disinfecting and sanitizing, facade and billboard cleaning and maintenance, vacuum cleaning of walls, ceilings, corners and crevices, degreasing factory floors, specific cleaning and housekeeping assignments for kitchens, pantries, hotels, hospitals, malls and theaters, aircraft and airports, railway platforms and bogies, ships and yachts. We also provide Plumbing, Electrical, Back office and front office personnel for the commercial premises and Residential apartments/ townships, hotels and hospitals.

We also provide **Valet Parking Services** which include attendants who operate at restaurants, hotels, hospitals, public places and provide parking services to the people who arrive there. We have perfectly trained teams which are best for Valet Services.

“ TRAINING & SKILL-BUILDING ”

At Salamati, manpower is our most valuable asset that gives us the edge in our business and assurance to our clients. We don't just recruit the best staff for our security services, but also constantly interact in enhancing their knowledge and skills by offering proper training.

With a view to provide adequate training to security personnel for service realization, we at Salamati, with state of Art infrastructure, are maintaining full-fledged training centre.

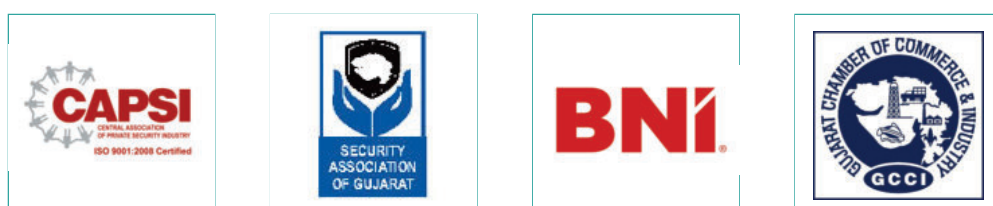

We provide training to our guards adhering to the PSARA standards (PRIVATE SECURITY AGENCIES REGULATION ACT, 2005). A proper course of syllabus is being followed at our training centre which is well equipped and managed by competent training staff and experts. Our expert trainers provide training which includes Discipline, Grooming, Behavioural, Basic Fire Training and other subjects related to security through our class room and on-job training programs.

“OUR CLIENTS”

and many more...

“OUR ASSOCIATES”

“ AWARDS & CERTIFICATIONS ”

We take these awards not as privilege but as responsibility. In upcoming time, we commit to serve more efficiently and effectively and assuring the best service always.

“ CORPORATE SOCIAL RESPONSIBILITY ”

CSR is the continuing commitment by business to behave ethically and contribute to the economic development while improving the quality of life of the workforce and their families as well as that of the local community and society at large.

We, at Salamati, are strongly committed to give the society by helping the society while in need, trying to make a positive impact among the citizens of the country to increase awareness towards the betterment of the nation.

Performing the self-imposed responsibility towards the environment, economy and public sphere, we provide prompt and courteous premium quality services to clients across the nation at fair prices.

We also do engage our employees in CSR activities boosting their work ethics creating an impact on employee attitude and level of awareness.

“ CLIENTS APPRECIATIONS ”

I commend your dedication to provide highly professional and trained Security guards to our premises for the last over 2 years. It is always gratifying to work with such great company and team with extraordinary abilities to provide good and quick service. Thanks for the extra efforts you put forth in assisting us while construction of Gujarat's biggest hotel project. I would like to express my pleasure in regards to the quality service that I have consistently received from your company.

★★★★★

Needless to mention proper housekeeping and good hygiene is a signature for any office/ yard and we sincerely appreciate the service of your boys. Also prompt vigilance and support from your field officer is appreciable, he is there to support for all occasions.

The performance of the firm (Salamati Security & Personnel Force (P) Ltd.) is to the expectation of management.

★★★★★

We appreciate your team member's attitude, approach and efforts to meet our expectations of service levels, not only that but most of the times their prompt efforts to resolve the issue being brought to their notice and amicably resolving them. You are providing excellent services at different facilities of our organization & our overall satisfaction is more than the highest rating Salamati Security & Personnel Force (P) Ltd has more than satisfied our needs and has provided services contract which has set their agency at 100% of its goal of providing professional knowledge and experienced guard services.

We have found your (Salamati Security & Personnel Force (P) Ltd) personnel to always be alert, intelligent and co-operative. They have been open to the never ending changes that we requested which were brought on by federal, industry and corporate mandates. The guards are always professionally groomed and uniformed. We would highly recommend Salamati Security & Personnel Force (P) Ltd as a security provider.

“ REWARD & RECOGNITION ”

Regular reward and recognition can help engaged employees progress even further. What's more, they can also help to improve the motivation of disengaged employees altogether.

At Salamati, we strongly believe in enhancing motivation to each employees and guards which strongly boosts the energy and authenticity at work.
